

Dexter Lions Club Gazebo Bricks

The Dexter Lions Club is offering you a great way to identify yourself with your Dexter Roots.

You can have your name inscribed on a brick at Monument Park for only \$50.00. This will help the Lions Club pay for gazebo maintenance and gives people the opportunity to identify forever with the Village of Dexter. Imagine your children or maybe grandchildren coming back to Dexter in 50 years and seeing the members of their family names etched in bricks in Monument Park. What a great gift to yourself, child, grandchild, friend or to commemorate a graduation or anniversary.
